7 Weeks / \$125 Tuesdays 8:10 - 9:10am

April 12,19 May 3,10,17,24,31

NO CLUB April 26

GRADES 1-3

WeDo Space and Flight

- Our Space and Flight course is available for all students no matter what experience level with LEGO WeDo! Students will learn additional concepts and be presented with more complex builds.
- **Projects include:** Jet Fighter, Marine Helicopter, X-wing fighter, and more.

GRADES 3-5

Lego NXT Human Activity

- Our young engineers will explore deeper concepts of NXT Mindstorm construction and programming by building unique machines used in daily life.
- **Projects include:** A Crazy Lawnmower, Humanoid, and more.
