

## ARE YOU INTERESTED IN CLASS PIANO LESSONS?

TO: Parents of children entering 2<sup>nd</sup> grade and older AND  
Parents of children currently enrolled in the Montgomery County Class Piano Program

We are pleased to announce that with the cooperation and support of our principal, your PTA is sponsoring Class Piano Lessons. This non-profit program has used the group method successfully in this country for over 50 years, and all its teachers are certified. Students meet once a week for 45 to 60 minutes in groups of 4-10 students. Class times and sizes vary depending on the students' age, interest and musical ability. This makes lessons available at a lower cost and provides the competitive stimulus that generally motivates students toward greater achievement. During the lessons, each child takes turns at the piano while classmates play on simulated keyboards. Note reading, theory, ear training, harmony and sight reading are stressed.

Tuition, which is always substantially less than private lessons, is determined by enrollment and tends to fall in the range of \$375-\$425 for the entire school year. Depending on the school calendar and weather conditions, there will be **28-30 lessons** taught. The tuition includes all music, books, recitals, and administrative fees. A **tuned piano or full-sized electronic keyboard** must be available at **home** for **daily practice**. Parents are responsible for their children's safety and transportation, and are encouraged to view the lessons. **The classes will be on Tuesdays in the music room.** Please note that **registration is for the entire school year and no refunds are provided. A deposit of \$100 is required with this application.** Full tuition is due at the first lesson by a check payable to **Barnsley PTA.**
