

BARNSELY ELEMENTARY AND FLEX ACADEMIES  
**SPRING AFTER SCHOOL  
 ACTIVITIES PROGRAM**

SPRING SESSION: MAR 31 - JUN 8

**Hip Hop Class (Grades: K - 5)**

Our most popular class!! Students will learn hip hop dance technique including break dancing, popping and locking and freezes, as well as iconic hip hop movements including the moon walk, the cabbage patch, the kid in play, the snake, and more! Students collaborate and learn funky routines to some of the best beats around, and let their inner star shine through break dance battles and more. Additional emphasis on style, contemporary choreography, movement vocabulary, strengthening and conditioning, rhythm, personal expression, and having fun! Class culminates with a special performance for parents on the last day of the session where students will showcase 1-2 learned routines as well as other material learned throughout the session, and be presented with a certificate. Don't miss out on this unique, super fun class!

**Zen Media Mania (Grades: K - 5)**

Does your child like to do a little bit of everything? This class offers a chance to experiment with a variety of different art mediums, while still practicing mindfulness and being calm. Kids will get to work with watercolor, clay, pencil, markers, tempera paint, and other exciting materials. This class is about having fun and learning about new art techniques. Each class will focus on a different material, or painting on a new surface, or even making something 3-dimensional. Come and bring your creativity and get ready to experiment!

## Guitar Club (Grades: 3 - 5)

While attending the Bones Jones Music Guitar Club you will be introduced to the exciting world of guitar playing. We will start off by learning simple melodies, fun exercises, and cool guitar riffs! Then we will introduce chords, strumming, and songs. Our geometric approach to learning guitar will allow students to experience a wide variety of techniques and concepts designed to keep them engaged in learning to play the guitar. No experience is necessary. Guitars are available to rent for an additional \$30 per 8-week session.

## Lego Structures: Jr. Structural Engineering (Grades: K - 2)

Become a junior builder and make amazing LEGO creations! You will learn core structural engineering concepts while building cool creations like towers and castles. There are no instruction booklets in this class - you will use your imagination to build these structures while learning the engineering behind them. So while your buildings will look cool on the outside, they will be rock-solid on the inside, ready to withstand an onslaught from earthquakes, boulders, and even hurricanes.
